

THE LANDMARK SCHOOL

PARENT TEACHER ASSOCIATION

Session 2024-25

OBJECTIVE

- PTA creates a community that helps to raise our kids and strengthen our community.
- The Parent Teacher Association (PTA) is a partnership between parents and educators who strive to enhance student learning and enrich the lives of the students within the school. It is also a forum for parents to obtain knowledge and voice their opinions about what is happening in their school.
- To bring into closer relation the home and the school, that the parents and teachers may cooperate intelligently in the education of children.
- The purpose of the parent/teacher conference is to clearly communicate the student's progress in school, and in the case of a student who is having difficulty, to enlist the parents' cooperation in the effort to remediate any problems.
- Parent-Teacher Associations are bridges between schools and parents. They not only provide advice on the development of schools, but also actively engage in and organize a variety of home-school activities. Their contributions to both learning and teaching are indeed tremendous.
