**Linking Learning
to Life**

About The Landmark School

The Landmark School aims to inculcate creative, innovative, and formative experiences within children. We are aware that childhood is the most impressionable and crucial phase of a man's life, where the marks we leave - every small memory, experience, and impression, plays a significant role in creating a positive outlook. We aspire to develop the love and enjoyment of learning within our children while also satisfying their intellectual curiosity. We hope to assist our children to equip themselves with the skills and resilience required to deal with the challenges and responsibilities of the future.

Our modern, innovative, holistic, and integrated system of teaching stimulates students to perceive things as free thinkers, who can sustainably and successfully function as tomorrow's global citizens. We uphold the following principles and standards:

- A space of warmth, fellowship, and protection.
- A school where your child's growth is measured, substantiated, valued, managed, and utilized to ensure continuous and consistent improvement.
- Our appreciation, respect, and recognition are the reflection of the quality of education that we impart to our students.
- Professional staff that creates, organizes, supervises, co-ordinates, and manages to provide the very best for our students.
- Our main focus is on the health, wellbeing, and hygiene of our students. Our paramount priority is the safety and security of our children.

Our school promises

to provide a holistic education that nurtures academic excellence, creativity, and critical thinking, supported by a modern curriculum and dedicated teachers. We ensure a safe, inclusive environment where every child can develop life skills, leadership qualities, and moral values. With state-of-the-art facilities, a strong focus on extracurricular activities, and global readiness, we prepare students for future success. Through transparent communication and community engagement, we build strong parent-school partnerships. Committed to diversity and sustainability, we aim to inspire lifelong learning and responsible citizenship in every child.

Vision

- To provide a conducive learning environment for our children to unleash their inherent potential to the fullest.
- Develop human spirit with a lifelong quest for learning and using their creativity for the betterment as socially responsible citizens.

Mission

- To create a conducive atmosphere of co-operation and collaboration, in respect of upholding community values.
- To promote a protective , caring and supportive environment for all age groups.
- Strive to provide Best-in Class teachers using contemporary learning methods thereby vivifying the intellectual , spiritual and physical development of the child
- Emphasize on respecting the child's independent thinking and thought process.
- Enable children to explore, experience and gain confidence to succeed in all aspect of life .
- Encourage a coalescence of parents and teachers for optimal development of the children .

Our Motto

L

Learn

Learn the skills and competencies of 21st century.

E

Explore

Explore their innate potential through a wide range of opportunities provided

A

Achieve

Short Term & Long Term educational goals

P

Progress

By establishing unity in the subjects of life & activities of child

MR. LOKESH M.P
Chairman

CHAIRMAN'S MESSAGE

We believe that all children are gifted and talented in their own particular ways. Every child is unique physically, emotionally, socially and intellectually. We want our children to find their talents & interests and follow their dreams. What we endeavour in our school, is to discover the gem in every child and encourage it. At the same time, we understand that every child has their own challenges and we need to help them overcome it. At Landmark, the focus is to provide a curriculum and atmosphere in which they continue learning and developing into confident, healthy and responsible individuals. We would not like our focus to be limited to making our children just academically bright, but also make them capable of facing the world confidently with judicious use of their knowledge.

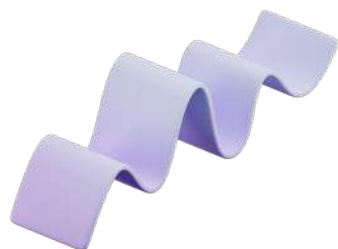

The school infrastructure is one of the tools in the development of children and we have the vision of providing the best of infrastructure to them. Towards this, we have achieved a significant part of it and our 6 acre campus lies as a testimony to it.

We understand that children are the most valuable assets of parents and every parent dreams about making their children into responsible, amazing and prosperous individual. As we know education is the basis of all progress hence, we believe that it is not just academics and extracurricular activities which are important in the school curriculum, but it is equally important to impart moral values and we are building a teaching and a learning atmosphere in the school which will aim towards the complete development of the children.

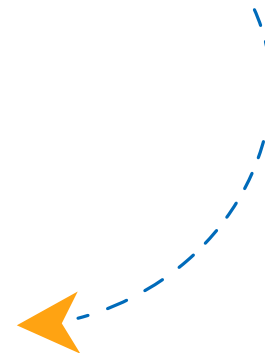

Knowledge is power. Information is liberating. Education is the premise of progress, in every society, in every family. - Kofi Annan

DR. SUBARNA GORAIN
Principal

PRINCIPAL'S MESSAGE

In every child born into this world there is a fresh and radiant possibility. Somewhere near me is a child who will write the greatest novel or paint the greatest picture or carve the greatest statue of her age. I am privileged to have been bestowed with the responsibility to discover the 'genius' in every child.

I believe in inspiring the child to choose the good, the true and the beautiful and to contribute to the happiness of others in words and deed. My greatest joy is to nurture in every child kindness, gentleness, peace, truth, hope, faith, love, reverence for God and respect for age and consideration for each other...

At The Landmark School, our endeavour is to provide education, at par with the global standards, which exposes the students to new and conflicting paradigms. Eventually, it enables them to be a better listener, a better observer and ultimately a better innovator and communicator. We believe in the philosophy of imparting education which enables our students to discover themselves, their environment and the world. We ensure that we empower them to make rational choices and be independent decision makers.

We are glad that we got the privilege to be an integral part of your child's life and also your trust in us to help them pursue their dreams and fulfill your aspirations in the times to come.

*o understand the Heart and Mind of a person, Look not at what he has already achieved but at what he Aspires to be. - **Khalil Gibran***

Curriculum

Creating Learning Environment

At The Landmark School, CBSE curriculum is tailored with a multi- dimensional child centric approach, which is both interactive and pragmatic. Our curriculum, both in terms of content & methodology, is futuristic and meets the highest standards.

Comprising a dynamic and colorful blend of academics, sports, performing arts etc. fine arts etc, our curriculum is aimed at developing creativity and exposing kids to varied educational experiences preparing them to face the future challenges of modern world.

We nurture children to be confident, self- sufficient, have independent thought process and insatiable thirst for learning.

Curriculum

The key objectives of the curriculum at The Landmark School

- To enhance self – awareness and explore innate potential
- To develop creativity and the ability to appreciate art and showcase ones own talents

GPS Enabled Transport

Safety and wellbeing of our children is our central concern. In order to be aligned with this purpose, our transport vehicles have GPS tracking systems to track, monitor, and navigate the whereabouts of our children so that we are constantly aware of their location and surroundings.

Safety and security of our children is held above everything else. We respect the fact that parents entrust their child with us and ensure that they are kept secure from conflicts. Our 24x7 CCTV Surveillance ensures constant and consistent monitoring of activities that take place within the school premises, thereby establishing peaceful conditions throughout your child's stay in school.

Infirmary

CCTV Surveillance

At Landmark School, the health and well-being of our students are our utmost priority. From first-aid assistance to routine health checks, we ensure that every child feels safe and cared for. The infirmary is designed to provide a calm and nurturing space, offering parents peace of mind knowing their children are in capable hands.

The first step towards a
Lifetime of Learning

Admission Eligibility

Age eligibility criterion for admission

Admission in
Grade Level

- **Nursery 3+ years**
- **Lower Kindergarten 4+ years**
- **Upper Kindergarten 5+ years**
